

## **INTEREST FREE LOAN INVESTMENT FORM**

I/We wish to advance the Right Sharing of World Resources (RSWR) a cash loan of \$ (\$500 minimum) with the understanding that RSWR will invest these funds, without interest to me/us, and use the resultant income for RSWR programs until I/we recall the loan.

I/We understand that:

" I/We may increase my loan at any time (\$100 minimum) without additional formalities.

" I/We may terminate all or part of my/our loan with either a 30-day or 180-day written notice.

" I/We am/are exempt from gift tax report and I/We am/are not required to report any income from my/our loan due to an IRS 1986 amendment that permits loans up to \$250,000 to a charity to be interest free.

" In the event of my/our death, RSWR shall repay the loan to my/our estate within 30 or 180 days, depending on the terms of the loan, of receiving a certification of death and written request from my/our executor(s) unless I/we have decided to make my/our loan a gift to RSWR by forgiving the loan in my/our will.

" Loans are invested by RSWR in a separate fund marked Interest-Free Loan Fund.
